Just about the best thing ever give to me was
my horse Buck, It was special becouse
I have allway wanted him.

The best thing ever given to me
is my horse. What really make him special
to me is the way he prances. I like him
becouse he is very high spirited.

My favorite gift was a horse
what's yours

Score Point: 2

This response is considered flawed. A low degree of proficiency is reflected. The writer clearly selects a favorite gift (my horse Buck) and provides some specific reasons to explain this choice (I have always wanted him, the way he prances, and he is very high spirited). The response is weakly organized. In addition to some writing errors and repetition, there is very little development.
